Dear Parents

Greetings from DPSSV!

DPS, Siddharth Vihar welcomes it's students after the summer break. Once again the fraternity is equipped with exciting and diversified forms of learning for our children. We are ready with yet another happening year of learning and growing together.

DPS, Siddharth Vihar has always strived to bring out the best in it's students. All the four laboratories (Biology, Chemistry, Physics and Maths) are fully functional and our students have already started activities and Practicals in Science and Mathematics from class 3 onwards. In this academic session, 2019-20, the management has plans to develop a separate Junior Computer Lab and Reading Garden for Juniors (Jr. Library). We are setting up a Table Tennis hall. The planning for Swimming Pool is also in the pipeline.

In order to provide the above mentioned facilities, additions to the infrastructure, increase in teachers' salaries, escalating operational costs, the school has decided to increase the fee for the session 2019-20 commencing from April 2019 by 8.4% across all classes as per the other schools of Ghaziabad. The intimation in this regard has already been shared with you (up-to 10% increase) in January 2019 through our website. The change in the Fee structure is subject to the approval of DFRC / DIOS. Any change instructed by DFRC would be adjusted in the fee payable for next quarter.
