(under the aegis of DPS Society, East of Kailash)

From the Principal's Desk

Dear Parents, Students, and Members of the
DPS Siddharth Vihar Family,

It is with immense pride, joy, and a heart full of gratitude that I share with you the outstanding achievements of our students in the CBSE Board Examinations 2024–2025. These results are not just academic milestones—they are stories of hard work, late nights, personal growth, and the beautiful journey of young minds discovering their potential.

This year, our Class XII students have made all of us beam with pride. With the highest score touching 99% and 243 distinctions across subjects, they have truly raised the bar. I am especially proud of our perfect scorers in various subjects—a shining example of focus and dedication.

Our stream toppers Soumya Verma (Commerce - 99%) (District Topper), Diksha Singh (Humanities 98.25%), and Diti Vashisht (Science - 97%) have shown us what it means to dream big and work tirelessly to achieve those dreams.

Not to be outdone, our Class X students have delivered a truly remarkable performance. My heartfelt congratulations to Lavanya Parihar (98.5%), Samiksha Singh (98%), and Kunal Mahajan (97%), who stood tall among their peers.

What touched me the most, however, was not just the numbers—but the spirit behind them. I have witnessed the countless hours of study, the support from parents, the extra classes by our teachers, and the determination in the eyes of our students. I have seen nervous smiles before exams turn into tears of joy after the results. These are the moments that define us—not just as a school, but as a family.

To our dear students: You have made us immensely proud. Whether you were a topper or someone who tried their best—know this, you matter. Your journey is uniquely yours, and every step you take forward is progress worth celebrating.

And to those who may not have achieved what they hoped for this year—I say this with all my heart: Do not lose hope. You are more than a percentage. Life will offer you many chances to shine—keep going, keep believing, and remember, we are always here for you.

I also take this moment to thank our Chairperson, Mr. Braham Singh Yadav, for his constant support and guidance, our dedicated teachers who are the backbone of every success story, and our wonderful parents who stood by their children through every challenge.

Together, we have built not just a school, but a community that believes in excellence with empathy, ambition with humility, and success with responsibility.

With love and pride,
Ms. Vandana Midhaa
Principal
