Dear Parent,

Welcome to the DPS Family! A home away from home for the little ones. We look forward to all the new experience and activities that await us.

Our endeavour is to provide the latest and best educational practices to our tiny tots for their holistic development. With this aim, our new session began wherein all the teachers welcomed their students and parents on Orientation Day of the school which was conducted on March 23rd 2023. The parents of all the newly admitted students were invited and we gave them a walkthrough of all the school processes.

The students on first day participated in various learning with fun and subject enrichment activities like playing floor games, dance and welcome craft to familiarise with teachers, class mates and the class environment. It also helped to sharpen their gross motor skills.

Warm Regards
